

Trimming T-Town

Traditions grow strong in Tunkhannock. Each year, the downtown area street lamps help turn the community into a storybook Christmas town. The over 65 lamps are admired by all who visit.

Become part of that tradition and adopt a street lamp. Whether as an individual, a family, an organization, or business; your adoption will help to ensure a beautiful downtown Tunkhannock — just in time for the annual **Christmas in Our Hometown**.

Each street lamp will be adorned with lights and topped with a beautiful wreath and red bow. Each lamp will proudly display a “gift tag” with a personalized message and name. The “adoption” runs from Christmas in Our Hometown until the decorations come down in January.

Lamps will be assigned on a first-come, first-adopted basis.

Be part of **Trimming T-Town** and send in your Adoption Request papers today.
