

Tunkhannock Business & Professional Association

2024 Membership

As we plan for 2024 activities, we are excited to announce that changes are in the works for our major events, especially Christmas in Our Hometown. To separate this holiday event from the many activities that are held during the first weekend of December, the board of directors has voted to host "Christmas in Our Hometown" on the second weekend of December, this year December 13th and 14th.

We believe that "Christmas in Our Hometown" is a community celebration and we are looking for input from members and area residents as we plan. This year, our annual meeting will also be open to the public. We hope that will stimulate new and creative ideas. More details to follow soon.

We are so grateful for the TBPA members who continue to be the strength of this community. They are the inspiration to develop and expand our activities designed to bring visitors to the Tunkhannock community.

We will be returning with "Spring Fling" in April and Founder's Day on June 22. We are planning an expanded area of activities and entertainment.

Incorporated in 2001, The Tunkhannock Business and Professional Association promotes the entire community for the benefit of businesses and professionals, area residents and visitors to the greater Tunkhannock area. TBPA's website tunkhannockbusiness.com, along with the Facebook and Instagram, [tunkhannockbiz](https://www.facebook.com/tunkhannockbiz), further promote members and events.

By being a member, you help strengthen this mission.

Please complete the following information and return with a check for \$75 (Payable to TBPA)

P.O. Box 573, Tunkhannock, PA 18657
